COMPLIMENTS TO THE LONEHILL EMR PARAMEDICS

"A big thank you to the Lonehill Paramedics, specifically Marina and Tarryn, who were at my house within minutes of my calling them for assistance last Saturday evening.

Whilst walking a dog we are fostering I was pulled over with force resulting in an injury to my left hand. Being left-handed and driving a car with gears and a hand-brake, this rendered me unable to drive. The paramedics, before rushing me to Fourways Life Hospital for X-rays, went the "extra mile" and made sure that my wife was alright on her own and that there was someone to collect me later.

We are so pleased to have this wonderful service available to us in Lonehill and again thank you.

Lonehill Resident"

REGISTER / RE-REGISTER TO VOTE ON 5 - 6 MARCH 2016

Residents are reminded that those who need to register or re-register for the 2016 Municipal elections can do so this weekend on Saturday, 5 March and Sunday, 6 March 2016.

Lonehill is served by two voting stations as it falls into two Wards, being Ward 94 and Ward 106. Registration will either take place at either the Crawford College in Lonehill (Ward 94) or at St. Peters Prep School on Wilkoppen Road (Ward 106). To determine at which Voting Station one must register follow this procedure:-

 - You will receive an sms back to tell you where you are currently registered to vote.
 - You can also do this online here.
- Check where you should be voting (based on where you live) using either:
 - DA's Voting Station Finder (me.da.org.za)
 - IEC's Voting Station Finder (maps.elections.org.za/vsfinder/)
 - This will tell you where you should be voting, based on where you live.
 - It is important to be registered where you stay, as problems with this is causing the delay in elections.

 - Go to the voting station located as per point 2 above.
 - On Saturday 5th of March or Sunday 6th of March.
 - Anytime from 08:00 to 17:00.

ILLEGAL CITY OF JOHANNESBURG DISCONNECTION NOTICE

It has been brought to our attention, that there is a scam currently in operation in surrounding areas. Residents are issued with a false "Pre-Termination Notice" by the City of Johannesburg for services such as water which are to be disconnected if immediate and upfront payment is not made to the COJ official.

If you are served with a "Pre-Termination Notice" by any "official" from the COJ, please verify the status of your account and DO NOT hand over cash or make any payments into a bank account until such time as you have verified the status of your account directly with the City of Johannesburg and have ascertained the legality of notice being served on you.
